## Waste Management Requirements Acknowledgement

I hereby understand that the City of Banning requires our company to meet certain waste management requirements before the final sign-off of the above-mentioned project by The City of Banning Building Inspector and the Public Works Inspector. To meet these requirements, I am required to contact Alexa Esparza (Public Works Environmental Program Coordinator) with The City of Banning) at the following phone number and or email address: 951.922.3193 refuse@banningca.gov IMMEDIATELY after completing this form.

I also understand that the next inspection will not be performed until the company above contacts the Refuse Dept via the above email to receive the information needed to comply with The City of Banning Waste Management Requirements. The Building and Safety Job Card must be signed off by The City of Banning Public Works Inspector. An appointment will be required and can be scheduled with Alexa Esparza (Public Works Environmental Program Coordinator with The City of Banning).

NOTE: Email refuse@banningca.gov ASAP because you will need this information to make sure you dispose of the construction waste materials as required by the State of California and The City of Banning so that the City of Banning can sign off on the above-mentioned project at the final inspection.

By signing below, I understand, and I will comply with the above-mentioned.
