

COUNTY OF RIVERSIDE
NOTICE OF FUNDING AVAILABILITY

2023-2024 URBAN COUNTY COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM
FOR COOPERATING CITIES

I. Program Description:

The County of Riverside has opened the CDBG application period for the FY 2023-2024 Community Development Block Grant (CDBG) cycle for Cooperating Cities within the County’s Urban County CDBG program.

CDBG is a flexible program that provides communities with resources to address a wide range of unique community development needs. Beginning in 1974, the CDBG program is one of the longest continuously run programs at HUD. The CDBG entitlement program allocates annual grants to larger cities and urban counties to develop viable communities by providing decent housing, a suitable living environment, and opportunities to expand economic opportunities, principally for low- and moderate-income persons.

The CDBG program is a federally-funded program administered through the U.S. Department of Housing and Urban Development (HUD). As an Urban County in the Entitlement CDBG program, the County receives an annual formula allocation of CDBG funds from HUD. HUD determines the amount of each grant by using a formula comprised of several measures of community need, including the extent of poverty, population, housing overcrowding, age of housing, and population growth lag in relationship to other metropolitan areas.

The program works to ensure decent affordable housing, to provide services to the most vulnerable in our communities, and to create jobs through the expansion and retention of businesses. CDBG is an important tool for helping local governments tackle serious challenges facing their communities. The CDBG program has made a difference in the lives of millions of people and their communities across the Nation.

CDBG was authorized under the Housing and Community Development Act of 1974, as amended, and is listed under the Catalog of Federal Domestic Assistance (CFDA) as 14.218. Applicable CDBG regulations can be found at 24 CFR Part 570 and 24 CFR Part 91.

CDBG funding has been used by the County, its cooperating cities, and other subrecipients for a wide variety of community, economic, and social development activities. Activities include public facilities such as fire stations, parks, community centers, senior centers, homeless shelters, health clinics, water and sewer improvements, and street and sidewalk improvements. CDBG also provides public service activities such as child care, health care, after school, programs, senior programs, food and clothing distribution, job training, recreation, and many more.

All activities funded with the County's CDBG funds must:

1. serve persons or communities within the County's Urban County area;
2. be an eligible activity under CDBG regulations (24 CFR Part 570.201); and
3. meet a National Objective of the CDBG program (24 CFR Part 570.208).

Most activities meet a National Objective by benefitting low-income persons or low-income communities.

The County's *Urban County CDBG Program* includes all of the unincorporated areas of Riverside County as well as the "cooperating" cities of: Banning, Beaumont, Blythe, Calimesa, Canyon Lake, Coachella, Desert Hot Springs, Eastvale, Indian Wells, La Quinta, San Jacinto, and Wildomar. The cities of Lake Elsinore and Murrieta participate in the County's Urban County program as a "Metro City." For purpose of this NOFA, Lake Elsinore and Murrieta are Cooperating Cities.

CDBG Award Information:

Subject to Federal appropriations, the County anticipates receiving approximately \$7,800,000 in CDBG funds for the FY 2023-2024 program. The amount of CDBG funding to be allocated to the Cooperating Cities is expected to be approximately \$2,840,000. The actual amount of the County's allocation is determined by final funding appropriations from Congress and HUD's CDBG allocation formula. Funds from this 2022-2023 CDBG application cycle will be available to the Cooperating Cities and their subrecipients no earlier than July 1, 2023.

Depending upon the type of activity to be funded, the cooperating cities and their subrecipients will have one (1) year to complete, expend, and drawdown their CDBG award for a public service activity, or two (2) years for a public facility or other CDBG activities.

Typical individual awards for CDBG-funded activities range from \$10,000 for public service activities to \$100,000 or more for public facilities, acquisition, or other eligible activities.

Individual City 2023-2024 CDBG Allocation:

The County is not notified of its CDBG allocation until well after the Federal Fiscal Year budget is approved by Congress and signed by the President. Consequently, the County does not know its allocation until January, February, or in some years, much later. The County recommends that the Cooperating Cities use their 2022-2023 allocations as a guide to project their 2023-2024 allocation.

All CDBG awards made by the County to the cooperating cities will be in the form of a grant. The cooperating cities must execute a Supplemental Agreement with the County each CDBG program year. Non-city subrecipients (non-profits, special districts, etc.) receiving CDBG funds from a cooperating city will be required to enter into a County-approved subrecipient agreement with the awarding city.

II. Eligibility Information:

Eligible Applicants:

The County of Riverside will only accept CDBG applications from the cooperating cities listed above. The cooperating cities may award their CDBG funds to the following entities and organizations:

1. City Departments or Agencies;
2. Non-Profit organizations subject to 26 U.S.C. 501 (c)(3) of the tax code; and
3. Governmental agencies including the County, other Cities, Special Districts, and Tribes.

Individuals cannot apply for County CDBG funding.

Non-profit organizations will be required to submit documentation as part of their cooperating city CDBG application including incorporation, bylaws, board of directors, and tax-exempt status.

Cost Sharing and Leveraging:

The cooperating cities and their subrecipient applicants are encouraged to utilize the greatest amount of leveraging as possible to improve the competitiveness of their proposal.

Real Property Acquisition – Displacement of Tenants:

In order to comply with the requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, cooperating cities that are considering the submittal of a CDBG application for real property acquisition and/or the displacement of tenants must contact HHPWS prior to the submittal of any application.

Minimum Funding Level:

In order to ensure the effective, efficient, and appropriate allocation and use of the County's CDBG funding, the County may reject any proposed cooperating city CDBG activity in an amount less than \$10,000. Exceptions to this policy include traditionally "county-wide" activities which are funded from:

1. both a County Supervisor's allocation and a cooperating city; or
2. two or more cooperating cities.

The Cooperating Cities are encouraged to utilize the greatest amount of leveraging possible to improve the competitiveness of their proposal. However, for the construction or rehabilitation of public facilities, the County may reject proposals where CDBG funding comprises less than 35% of the total project cost due to costs associated with the compliance of CBDG and other Federal regulations.

Compliance with Laws and Regulations:

The successful applicants will be required to comply with all applicable federal, state, and local laws, regulations, and ordinances. Pursuant to an executed subrecipient agreement, the applicant will certify that it will adhere to and comply with the laws and regulations found in **Attachment 1** as they may be applicable to a subrecipient of funds granted pursuant to the Housing and Community Development Act of 1974, as amended.

In addition, all CDBG-funded projects using CDBG for facility construction, renovation, or improvements will be considered as “Public Works,” and therefore, subject to applicable State of California Department of Industrial Relations requirements.

Dun and Bradstreet Data Universal Number System (DUNS) and System for Award Management (SAM)

Pursuant to Federal regulations, all cooperating cities and their subrecipients submitting applications for CDBG funds must comply with the following requirements **prior to submitting** their CDBG application to the County for the 2023-2024 program year:

1. Be registered in the System for Award Management (SAM) system;
2. Provide a valid DUNS number in the application; and

The County and the Cooperating Cities will not make any CDBG grant awards to any organization or government entity that fails to comply with the SAM and DUNS requirements.

System for Award Management (SAM):

The System for Award Management (SAM) is combining federal procurement systems and the Catalog of Federal Domestic Assistance into one new system. This consolidation is being done in phases. The first phase of SAM includes the functionality from the following systems:

1. Central Contractor Registry (CCR)
2. Federal Agency Registry
3. Excluded Parties List (EPLS)
4. Online Representations and Certifications Application

How does SAM benefit organizations? The overarching benefits of SAM include streamlined and integrated processes, elimination of data redundancies, and reduced costs while providing improved capability.

Data Universal Number System (DUNS):

The Federal government requires all applicants for Federal grants have a DUNS number. The Federal government uses the DUNS number to better identify related organizations that are receiving funding under Federal grants and to provide consistent name and address data for electronic grant application systems.

If you do not already have a DUNS number, contact Dun and Bradstreet toll free at 1-866-705-5711.

The cooperating cities and their prospective subrecipients should refer to HUD regulations found at 24 CFR Sections 570.201-204 regarding eligible uses of CDBG funding.

IV. APPLICATION RATING

Each complete CDBG application is rated by CDBG program staff to determine if the proposal meets the minimum score rating. The County uses a 200-point rating system with four (4) rating criteria with a minimum rating score of at least 100 points. The rating criteria are:

- Quality of Program Design/ four sub-criteria (40 points)
- Quality of Proposal Elements/ four sub-criteria (60 points)
- Capacity and Experience/four sub-criteria (40 points)
- Proposed Funding Request/five sub-criteria (60 points)

There are three (3) threshold sub-criteria that all applications must receive at least five (5) points each, or the proposal will not be funded:

- Does the proposed program/project comply with the overall regulations, goals and objective of the CDBG program? Application describes how the identified need relates to the objectives of the CDBG program?

- Does the proposed activity address a priority community development need as identified in the Five-Year Consolidated Plan?
- Does the organization have the demonstrated capacity to successfully implement and complete the proposed activity in a timely manner?

APPLICATION REVIEW AND SELECTION PROCESS

The Cooperating Cities establish their own application process and make their own CDBG funding decisions – all cooperating city applications are subject to HHPWS review and Board of Supervisor approval.

ANTICIPATED ANNOUNCEMENT, AWARD DATE, AND NOTICE

The Board of Supervisors for the County of Riverside will make all final CDBG funding decisions for the County’s 2023-2024 CDBG allocation. This is anticipated to occur in April/May 2023 during a regular meeting of the Board of Supervisors when the Board approves the 2023-2024 One Year Action Plan of the 2019-2024 Five Year Consolidated Plan.

After the approval date, the cooperating cities will be notified by mail of the Boards funding decisions. The One Year Action Plan is then submitted to the U.S. Department of Housing and Urban Development (HUD) for review and approval. The letter will clearly indicate the amount of their award, and that this is not a notification to proceed or to incur costs. The letter will inform the cooperating city that a supplemental agreement will be prepared and forwarded in the near future with further instructions.

POST AWARD REPORTING REQUIREMENTS

To ensure compliance with the CDBG program National Objective requirements, all cooperating cities and their subrecipients will be required to comply with the applicable CDBG reporting requirements. The type, amount, frequency, format (paper or electronic), and detail of the reporting requirements depends upon the specific use of the CDBG funds and corresponding National Objective. All specific reporting requirements will be stated in the supplemental agreement.
